**RE: PROVISION OF SECURITY AND GUARDING SERVICES TO
KENYA AIRPORTS AUTHORITY
TENDER NO. CAA/OT/SEC/0004/2019-2020**

ADDENDUM NO. 3

The following are tender clarifications/addendum issued regarding the above tender in accordance to instructions to tenderers clause no **2.5** of the bidding document for the referenced tender.

NO	QUERY	RESPONSE
1.	On page 44, there is provision for training and airport passes for 115 guards only. However it is important to note that for every six days a guard must rest thus from the total number of guards given above it is mandatory that we provide approximately 20 relievers. The question is who will meet the cost of their training and the passes given that as a service provider I will meet the cost of salaries etc.?	Bidders are advised to include the cost of training and passes for the 20 relievers as a provision sum of Ksh120,000.00
2.	On page 41, price schedule of services Lot I JKIA (supervisory management and applicable profits) it is important to note that three items namely the guard, the supervisor and the vehicle have different unit profit levels and therefore it would have been clearer if we had columns for each for clarity purposes.	Bidders are advised to include columns for each item separately for Lot I JKIA.

Kindly amend your tender accordingly.

The addendum forms part of the bidding document and is binding to all bidders. All other conditions remain the same.
