**RE: PROVISION OF BRAND AND COMMUNICATION AUDIT SERVICES
FOR KENYA AIRPORTS AUTHORITY**

TENDER NO. KAA/OT/MBD/0173/2023-2024

CLARIFICATION NO. I

The following are tender clarifications/addendum issued regarding the above tender in accordance to instructions to tenderers clause 9 of the bidding document for the referenced tender.

| No. | Inquiry | Response |
|-----|---|--|
| I. | We seek a clarification on Tender Security, Page 28 of the Tender Document regarding the requirement that the digital tender security must have a mechanism to verify such as use of quick response (QR) code or an online portal. Our concern is that most Insurance Companies have the Bid Securities with a Serial Nos, not Portals or QR Codes. Does that suffice? They further argue that they have been authorized by the PPRA to provide Bid Securities. | The Authority wish to clarify that if the digital tender security with a mechanism to verify such as use of quick response (QR) code or an online portal, bidders can deliver the original tender security to the office of General Manager Procurement and Logistics as per instruction ii) of the tender document before the closing date and time. |

The closing/opening date remains **7th March, 2024 at 11:00 a.m.**

Kindly ensure your tender is valid for a period of **126 days** and your tender security is valid for a period of **156 days** from **7th March, 2024 at 11.00. a. m.**

This addendum forms part of the bidding document and is binding on all bidders. All other conditions remain the same.
