**RE: FRAMEWORK AGREEMENT FOR PAVEMENT
MAINTENANCE AND RELATED SERVICES FOR A PERIOD
ENDING OF THREE YEARS FOR KENYA AIRPORTS
AUTHORITY.**

TENDER NO. KAA/OT/HQ/0184/2023-2024

ADDENDUM NO. 2

The following are tender clarifications/addendum issued regarding the above tender in accordance to instructions to tenderers clause 8.1 of the bidding document for the referenced tender.

No.	Inquiry	Response
I.	<p>The tender Technical Evaluation item I qualification and technical experience of site personnel to manage and execute the works on the site requires that the site foreman should possess among other documents proof of registration with a valid license with Kenya Engineering Technology Registration Board (KETRB).</p> <p>However, we understand that there exists another board by the name The Institution of Engineering Technologists and Technicians of Kenya which regulates and licenses Technicians just like KETRB.</p> <p>We are therefore requesting that both boards/ institutions be considered</p>	<p>The Authority has considered the Valid license for the year 2023 from either KETRB or IET-K will be used/accepted.</p>

	for the tender and for the specific requirement	
2.	<p>We refer to your tender for the framework agreement for pavement maintenance and related services for a period ending of three years Tender number KAA/OT/HQ/0184/2023 - 2024.</p> <p>From our site visit experience, we noted that there exists some murram patrol roads and cabros, the Bills of quantities for the tender also contains some murram and cabro works. We are therefore requesting that experience in murram and cabro works be considered for evaluation.</p> <p>Your kind concern and response on this will be highly appreciated.</p>	<p>The Authority shall consider experience on construction of Murram and Concrete paving blocks roads awarded by government institutions and recognized private companies in the evaluation. The bill of quantities is hereby replaced in entirety.</p>
3.	<p>The Site Agent is required to have among other documents a current and valid EBK practicing license.</p> <p>The fact being that we are still in the early days of the year 2024, most Engineers are in the process of renewing their license some with payment receipts with them awaiting processing of the valid license. We are thus requesting that you consider the 2023 Practicing license accompanied with the receipt showing payment for the renewal of the license.</p>	<p>The Authority wishes to refer bidders to addendum No. 1 item No. 5 was responded to.</p>
4.	<p>We would like to get clarification on the requirement for the Bank Statements.</p> <p>The requirement for 12 calendar months' bank statements, with an average cash flow of Kshs.15 million might be a little tough for smaller companies of NCA 5,6 and 7.</p> <p>We would really appreciate</p>	<p>The Authority shall maintain the requirement as per the tender document.</p>

	considerations offered for smaller companies.	
5.	Technical Evaluation, page no. 40, Item 5 - requires relevant experience in the last three years (2021-2023). We however request that this period be amended to the last six years (2018-2023).	The Authority amends the requirement for the experience to cover a period of the last five (5) years (2019 - 2023) instead of the three years.

Note:

Clause 102.2. Mobilization has been amended to read as follows;

Mobilization shall be not less than 7 days of Order to Commence. Estimation for the **maximum value of a works delivery order shall be Ksh. 30,000,000.00** per contract and **minimum of Ksh 500,000.00**. Contract Period of each works delivery order shall not exceed 20 weeks.

The closing/opening date remains on **14th March, 2024 at 11:00 a.m.**

Kindly ensure your tender is valid for a period of **126 days** and your tender security is valid for a period of **156 days** from **14th March, 2024 at 11.00 a. m.**

This addendum forms part of the bidding document and is binding on all bidders. All other conditions remain the same.
