**CLARIFICATION NO. 1**

The following are tender clarifications/addendum issued regarding the above tender in accordance to instructions to tenderers clause 5 of the bidding document.

Clarification	Response
We intend to purchase the eucalyptus for firewood for tea factories. We would like your clarification on the requirement for License from Kenya Forest Services as we do not operate sawmills. For the same reason, we need clarification on whether we qualify as we intend to bid Block 1 which is indicated as reserved for large scale saw millers.	The Authority hereby clarify that we rely on the experience of Kenya Forest Service (KFS) to get vetted, registered (Pre-qualified) forest industry investors to buy Timber, plywood, Transmission poles and Fuelwood. In this respect, classification by KFS gives KAA the much need assurance on the Technical capacity of the bidders.  Therefore, this requirement; will be part of the evaluation or consideration in this process.

The closing/opening date remains 8<sup>th</sup> May 2025 at 11.00a.m.

Kindly amend your tender and ensure it is valid for a period of 186 days from the closing/opening date of 8<sup>th</sup> May 2025 at 11.00a.m.

This addendum forms part of the bidding document and is binding on bidder. All other conditions remain the same.
